

ENTRY FOR APPRENTICE LEVEL

APPLICANT NAME: _____

DATE OF ENTRY: _____

Please have all three skeins labeled with the type of fiber, which sample it is (thick, thin or ply) and what it was spun on (dropspindle, supported spindle, wheel, etc.). Please put your name (both SCA and mundane) on the other side of the tag. Please complete the following information below for the required skeins, including any comments you wish to make on each sample. Please also remove a six-yard length of yarn for each skein you have spun and place them in a separate envelope to send in with your entry. (Note: These samples will not be returned to you; the rest of your entry will be.) Do not forget to include a sample of your fiber prior to spinning with each entry. If you have done a more formal writeup, please attach it to the back of this form.

1) One skein, single ply, spun thicker

Type of fiber: _____

Spun on: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

2) One skein, single ply, spun thinner

Type of fiber: _____

Spun on: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

3) One skein, plied in any manner or consistent thickness

Type of fiber: _____

Spun on: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

Questions:

1) Why did you choose the fiber(s) that you did for these samples? _____

2) Where did you get this fiber? Did you have to do any processing, or was it ready to spin?

3) Do you wish you had done something differently? If so, what? _____

4) Now that you are becoming more comfortable with spinning, what would you like to learn next?
