## PART II: YOUR INTERESTS

As we are all united by our love of spinning, the creation of yarn is our unifying theme. However, as we must do things with the threads we create, our interests can encompass any or all of the fiber arts. Please let us know what your interests are so we can plan accordingly:

- 1) What do you want to learn? (Things you have no or little knowledge/experience in doing)  
i.e. Circe wants to learn how to do natural dyeing because she has a bunch of woad plants in her backyard.

- 2) What do you know how to do? (Things you are comfortable doing yourself, but not willing to teach others yet.) i.e. Circe knows the basics about sheepshearing, macramé, and weaving on an inkle loom.

\_\_\_\_\_

- 3) What are you willing to teach classes on or act as a mentor to others as they are learning?  
i.e. Circe loves to knit and weave tapestries. She knows other forms of weaving too, but not as well as tapestry weaving.
