

ENTRY FOR NORN LEVEL

APPLICANT NAME: _____

DATE OF ENTRY: _____

APPLICANT CODE: (to be completed by judges) _____

Please have all skeins and projects labeled with the type of fiber and which requirement it is the submission for. Please leave one side of the tag blank so we can include some judging information. Please complete the following information below for the required skeins, including any comments you wish to make on each sample. Please also attach a one-yard sample of each yarn used for each submission to the right margin for each requirement. If you have done a more formal writeup, please attach it to the back of this form.

I. SPINNING

1) Cotton, spun thicker, any ply

Type/breed of fiber: _____ Spun on: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

2) Cotton, spun thinner, any ply

Type/breed of fiber: _____ Spun on: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

3) Cotton, three ply yarn

Type/breed of fiber: _____ Spun on: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

4) Flax, wet spun, any thickness or ply

Type/breed of fiber: _____ Spun on: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

5) Flax, dry spun, any thickness or ply

Type/breed of fiber: _____ Spun on: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

6) Flax, three ply yarn

Type/breed of fiber: _____ Spun on: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

7) Silk spun from caps or noil, any thickness or ply

Type/breed of fiber: _____ Spun on: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

8) Silk spun from brick, any thickness or ply

Type/breed of fiber: _____ Spun on: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

9) Silk, three ply yarn

Type/breed of fiber: _____ Spun on: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

10) Exotic fiber, any thickness or ply

Type/breed of fiber: _____ Spun on: _____ Ply: _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

11) Blended fibers, any thickness or ply

Type/breed of fibers: _____ Spun on: _____ Ply: _____

Weight of fiber #1: _____ Weight of fiber #2: _____

How blended? _____

Weight of skein: _____ oz. Yardage: _____ Average WPI: _____

Comments: _____

II. DYEING

1) Natural dye used: _____ Mordant used: _____

Type of dyepot: _____ When mordanted: _____

Describe technique/methods used, including any commentary: _____

2) Natural dye used: _____ Mordant used: _____

Type of dyepot: _____ When mordanted: _____

Describe technique/methods used, including any commentary: _____

3) Natural dye used: _____ Mordant used: _____

Type of dyepot: _____ When mordanted: _____

Describe technique/methods used, including any commentary: _____

4) Natural dye used: _____ Mordant used: _____

Type of dyepot: _____ When mordanted: _____

Describe technique/methods used, including any commentary: _____

5) Natural dye used: _____ Mordant used: _____

Type of dyepot: _____ When mordanted: _____

Describe technique/methods used, including any commentary: _____

6) Natural dye used: _____ Mordant used: _____

Type of dyepot: _____ When mordanted: _____

Describe technique/methods used, including any commentary: _____

7) Undyed sample: Type of fiber used in dyeing: _____

Where obtained/purchased: _____ Spun on: _____

Average weight of each skein used: _____ Average yardage: _____

Average WPI: _____ Chemical/soap used in scouring: _____

III. PROJECTS

1) Small finished project done in handspun yarn (at least 4x6 inches)

Type of fiber: _____ Spun on: _____

Description of project: _____

Comments/techniques used to create item: _____

2) Small finished project done in handspun yarn (at least 4x6 inches)

Type of fiber: _____ Spun on: _____

Description of project: _____

Comments/techniques used to create item: _____

3) Major project demonstrating excellence in art

Type of fiber: _____ Spun on: _____

Description of project: _____

Comments/techniques used to create item: _____
